STUDENTS FOR GLOBAL PEACEBUILDING

SGP at UC Irvine is a student led initiative
in the **Center for Citizen Peacebuilding**.

Our goal is to build a more compassionate and understanding community on and off-campus by expanding our knowledge about non-violent practices, peacebuilding, and climate action in diverse contexts.

Whether it is through the lens of an academic or an activist, SGP offers an opportunity to learn about effective system-changing tactics of peacebuilding and climate action from leading experts.
